

**2016 BROOME, CHENANGO & OTSEGO
DECENTRALIZATION GRANT PROGRAM**

2016 CHENANGO AUDIT ASSIGNMENTS

As a requirement to fulfilling your grant, funded groups/artists are responsible for auditing another funded project/event for 2016. Audit assignments are listed below.

Please contact your assigned group to confirm the date/time of the event you are to review. In the situation where a group has more than one project/event, it is required that only one (1) be audited. If there is a charge for admission, please arrange for gratis tickets prior with the group you are to audit. The audit must be returned to the Arts Council office within 30 days of completion of the reviewed project/event. Future funding is subject to compliance with this contact requirement. You can recruit a representative/member of your organization, a friend, family member or other volunteer to complete the informal audit form.

2015 audit forms can be filled-in and printed from our website, or send an e-mail request for an audit form to: info@chenangoarts.org. Please call us at 336-2787/ARTS with any questions.
