NO DECEMBER BOARD MEETING – HOLIDAY PARTY?

From Roy:

I have added my numbers at the bottom of the statement that I usually note for the committee and the board. I did this since unfortunately I cannot make our meeting on Thursday.

For my report there is nothing unusual. We had a good revenue month due to NBT and to additional contributions, which makes the year thru October looking good. However, as we know that extra upfront revenue will not be repeated, the endowment withdrawal and expenses should remain about the same in subsequent months. In addition, we will have the monthly NBT loan payment coming out of our account.

Please let me know if you have any questions.
